RULES AND REGULATIONS

This schedule of Rules and Regulations governs the furnishing of sewage service by Farmdale Development Corporation hereinafter referred to as the Utility and applies to all service received from the Utility. No employee or individual director of the Utility is permitted to make an exception to Rates, Rules or Regulations. All rules and Regulations are to be in effect so long as they are not in conflict with Public Service Commission Rules and Regulations. The utility is further subject to all Rules and Regulations of the Commission even though not contained herein.

REVISIONS

These Rules and Regulations may be revised, amended, supplemented or otherwise changed from time to time subject to approval of the Public Service Commission, and shall have the same force as the present Rules and Regulations.

SERVICE AREA

The Utility furnishes sewage service to the Farmdale Subdivision and adjoining area located near Frankfort in Franklin County, Kentucky.

AVAILABILITY

Sewer service is available to any domestic, commercial or industrial consumer within the Utility's area.

SUBSTANCES NOT TO BE DISCHARGED INTO SEWERS

No substances shall be placed or discharged into the sanitary sewer system which will create a combustible, gaseous, explosive or inflammable condition in such sewer system nor shall any substances or objects be placed or discharged into the sewer system which will not dissolve and which will thus cause an obstruction and clogging within the system. No petroleum products shall be placed or discharged into the sewer system.

RULES AND REGULATIONS

No storm water or surface water drain shall be connected with the sanitary sewer system nor shall any storm or surface water be otherwise introduced into the sewer system.

SEWER FAILURE

The Utility is responsible for sewer failure only when in control of the Utility's employees. No consumer is paid damages for equipment unless such damages are specifically found to be caused by an act of negligence on the part of the Utility or its employees.

PROTECTION BY CONSUMER

Consumer shall protect the equipment of the Utility on his premises and shall not interfere with Utility's property or permit interference except by duly authorized representatives of the Utility.

NOTICE OF TROUBLE

Consumer shall give immediate notice to the Utility of any irregularities or unsatisfactory service and of any defects known to consumer.

MAINTENANCE

The Utility may at any time deemed necessary, suspend sewer service to any consumer or consumers for the purpose of making repairs, changes or improvements upon any part of its system. The Utility shall give reasonable notice of such suspension of service to the consumer.

CONNECTION CHARGES

A. Normal Connection:

Normal connections to existing sewer lines shall be made without charges for a prospective consumer who shall apply for and contact to use service for one (1) year or more and provides a guarantee for such service. Any such connection made at the property line of a prospective customer shall be classified as a normal connection.

B. Other Connections:

The charges for connections made for the purpose of land development or for any party that will not be committed to the payment of a monthly rate in accordance with the established rate schedule as approved by the Public Service Commission are subject to negotiations between the Utility and the party requesting the connection. Any such connection that will affect the rate paid by any consumer of this Utility shall be subject to the approval of the Public Service Commission.

RATES AND CHARGES

LINE RELOCATIONS

When necessary to move or relocate facilities, the cost will be paid by party or parties requesting such relocation.

BILLING, COLLECTION, PENALTIES

Billing for sewage service furnished by the sewer system shall be made by the Farmdale Water District on its regular monthly water bills, and each such bill shall be subject to the schedule for payment imposed by the Farmdale Water District according to its applicable Rules.

DEPOSITS

The Utility may require from any customer or applicant for service a cash deposit or other guaranty to secure payment of bills not to exceed two-twelfths (2/12) of the estimated annual bill of such customer. Interest at the rate of six percent (6%) per annum will be paid on deposits so required, accruing from the date of deposit.

DISCONTINUANCE OF SERVICE BY UTILITY

The Utility may refuse or discontinue service to an applicant or customer, after proper notice, for failure to comply with its rules and regulations or state and municipal rules and regulations, when a customer or applicant refuses or neglects to provide reasonable access to the premises, for fraudulent or illegal use of service, or for nonpayment of bills. If discontinuance is for nonpayment of bills, the customer shall be given at least forty-eight (48) hours written notice, separate from the original bill, and cut-off shall be effected not less than twenty (20) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the Utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may not be effected until the affected resident can make other living arrangements or until not less than ten (10) days elapse from the date of the Utility's notification. When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused..
